IMPORTANT

- I hereby authorize my employer to reduce my gross salary before federal and state income taxes and Social Security taxes are calculated by the total amount of annual salary reduction indicated above.
I understand that any contribution to an FSA may reduce my Social Security. Withholding will be based on my income after reductions.
I understand that any amount remaining in any Flexible Spending Account that is not used during this plan year will be forfeited since it cannot be carried forward to the next plan year.
I understand that the funds in one account cannot be used to reimburse expenses covered by another account.
I understand that expenses for which I am reimbursed cannot be deducted on my income tax return.
I understand that the funds in the account can only be paid out to reimburse payment of expenses actually incurred during the plan year.
I understand that the amount of salary reduction will include the items specified above and will continue in effect unless I terminate employment or file an approved Change In Status with the contract administrator before the end of the plan year.
I understand and agree that my employer and Fringe Benefits Management Company, the contract administrator, will not incur any liability resulting from either my participation in this plan or my failure to sign or accurately complete this enrollment form.
I certify that: 1) I will only use my FSA to pay for IRS-qualified expenses eligible under my employer's plan, and only for me and my IRS-eligible dependents, 2) I will exhaust all other sources of reimbursement, including those provided under my Employer's plans before seeking reimbursement from my FSA, 3) I will not seek reimbursement through any other source, and 4) I will collect and maintain sufficient documentation to validate the foregoing.
