I certify that I am a person authorized to use the MasterCard® Card issued on behalf of the participant indicated on the card below and that by signing and using the card I agree to all of its terms and conditions. I understand that the card can only be used at merchants and service providers, properly coded as an eligible health care provider, that are authorized by my employer. I understand that any transactions initiated by my use of an authorized Card are subject to the terms and conditions of the Cardholder Agreement, and the Funds Transfer Disclosure Statement received with the Card. I certify that the qualified healthcare expenditures presented with this transmittal have been received by an eligible individual and are true and accurate. I certify that my card will be used to only pay for the IRS-qualified expenses permitted under my employer's Medical Expense FSA plan, for services incurred by me and my IRS-eligible dependents, during my period of coverage within the plan year, on the date(s) indicated on the attached documentation. I further certify I have not and will not seek reimbursement through any other source, and will exhaust all other sources of reimbursement, including those provided under my Employer's plan(s), before seeking reimbursement from my FSA. I will collect and maintain sufficient documentation to validate my reimbursed FSA expenses. I will not claim any reimbursed FSA expense for any federal income tax deduction or credit. I understand further that the IRS requires that my Employer (or its designee) take corrective measures if an ineligible/unsubstantiated expense is reimbursed from my FSA, including denial of card access until the ineligible/unsubstantiated expense is recouped. I have read and understand the information on the front and back of this form.

EZ REIMBURSE® Card Transmittal Sheet Instructions

- You must keep a copy of all documentation for your records for a minimum of one year and submit to the IRS and/or FBMC upon request.
- Make sure all fields on front side of this sheet are properly completed.
- The IRS does not consider charge receipts (or copies) as acceptable documentation to support the substantiation of a transaction.
- Any card charges requiring after-the-fact substantiation will be treated as conditional transactions pending submission of: a copy of a receipt, invoice, or bill from a provider showing the type of service(s) received, the date service(s) were received, the cost of the service(s) incurred, and the name of the IRS eligible person(s) for whom the services(s) were provided.
- Some provided medical treatments and services, including those that could be deemed personal or cosmetic, require a Letter of Medical Need from the treating healthcare provider.
- Supporting documentation must be legible.
- The date a service was provided defines its eligibility regardless of when it was paid. You cannot prepay with the EZ REIMBURSE® Card or use it for service dates out side your period of coverage.
- Refer to your employer's current plan year enrollment materials for information on participation rules, expense eligibility, type of supporting documentation required and other information.

Important things to remember about using the EZ REIMBURSE® Card

- Present the card as any other credit card at a merchant or service provider, authorized by your employer who accepts MasterCard® and is properly coded as an eligible healthcare provider.
- A successful transaction or acceptance of the card by a merchant or service provider that is approved by your employer and properly coded as an eligible health care provider, does not constitute and/or validate the eligibility of a health care expense.
- If medical coverage is not provided through an HMO, and a transaction requires after-the-fact substantiation, you must attach an Explanation of Benefits (EOB) from the health insurance provider, showing the date service(s) were received, the cost of the service(s), the type of medically necessary service(s) received, the name of the IRS-eligible person(s) for whom the service(s) were provided, and any uninsured portion of the cost.

The EZ REIMBURSE® MasterCard® Card is issued by MetaBank.
