

Western Arkansas Anesthesiology Services, PA
2401 S 51st Court, Suite A
Fort Smith, AR
(479) 452-1581

For our patients who have no insurance benefits available to cover medical expenses related to their pending surgery, we have developed a payment program that should be helpful in determining how to pay for the necessary care. In order for you to complete the appropriate arrangements it will be necessary to call (if paying by credit card) or come by our office to complete the necessary paperwork. If you are paying the full estimated balance prior to surgery, your estimated fee will include a 27% discount off of the usual fee. If you are unable to pay in full prior to surgery it will be necessary to bring proof of your current address in the form of a utility bill or some other document to show proof of address (not a telephone bill). We will attempt to work with you as much as possible, however failure to pre register with our office at least two days prior to your surgery may result in service being delayed or rescheduled.

If you have insurance benefits provided through Arkansas Blue Cross and Blue Shield, please call our office to complete pre-registration. By calling in advance you will be eligible for a substantial discount from the usual price.

To reach our office, turn south off of Rogers onto Waldron (S 54th Street). Take the first right on U Street and look for our office on the corner of U Street and S 51st Court (third bldg on the left after United Blood Services). We are located in Suite A. If you have any trouble finding our office please give us a call at the phone number listed above.

Thank You
